DTU Construct
Section of Materials and Surface Engineering

Find your thesis project

BSc, BEng, MSc projects, and project course, 2026–2027

- Let's get inspired by the topics – many with industry partners
- Have your own idea? Discuss it with a supervisor in the field
- Most projects can be done as group work – talk to the supervisors
- Feeling not ready yet? Take the Project course first (41667)
